## Product Features

- All metal design with solid wood pallets
- Levelers provide additional stability
- Excellent, consistent print quality
- Maximum print size: 15" x 16"
- Lock-in hardened bearing registration system on one-color expandable and multi-color models - excellent registration
- Adjustable spring tension screen frame lift
- Sturdy frame clamping system
- Off-contact feature

The Econo-Tex™ series are high quality, one-, four- or six-color, rugged textile printers especially suited for start-up print shops or any application where short runs are needed.

These versatile units are excellent for screen printing all types of textile products, such as t-shirts, sweatshirts, jackets, towels, banners, bumper stickers, book covers, and more.

Use these reliable printers as teaching aids in classrooms, for fund raising projects, or in commercial sales.

See a sales representative about our complete Econo-Tex series of printers.
