In the next frontier space is at a premium, The **ROQ Fit**, maybe your first auto or the ultimate companion for a bigger press, built to fit, built to print, built to last and built to blast you to the next level in your business. If you're in a garage, it fits, but it turns your garage into a high end cutting edge t-shirt printing machine. If it's next to your bigger auto, it fits, and it prints so fast it keeps up with the sleeves, tags, and simple prints you don't want your main press to.
