

PRODUCT NO. 497760

Industrial Silicone

ALL PURPOSE DRY LUBRICANT & RELEASE AGENT

A clear multi-purpose lubricant, release agent, and non-stick agent for exclusive use in construction or manufacture of goods such as automotive, graphics arts, light manufacturing, furniture, and upholstery products. Improves equipment longevity, enhances performance, and reduces downtime. Provides a semi-permanent, anti-stick surface coating for fast, easy part removal from molds.

For Industrial Use Only.

FEATURES & BENEFITS

- Spray mist pattern
- Reduces friction and heat
- Repels dirt, dust, and grime
- Long-lasting lubrication and corrosion protection
- Temperature range from -58°F to 600°F

APPLICATIONS & USES

This product is designed as an all-in-one lubricant, release agent and non-stick agent for exclusive use in the construction or manufacture of goods. Used as a release agent for plastic injection and compression moldings.

DIRECTIONS FOR USE

1. Shake well before using.
2. Clean surface thoroughly.
3. Spray light film on surface.
4. If used on sticking parts, work back and forth and reapply.
