ZENASTICK WEB

WEB SPRAY ADHESIVE

Waterproof, multipurpose adhesive specially formulated for use on uneven or porous surfaces. This product dries quickly while maintaining flexibility, providing a light, quick tack suitable for both temporary and permanent bonds. This formulation has a high solids content to provide a higher bond strength with a low soak in, and the web spray pattern is excellent for heavier materials.

FEATURES & BENEFITS

- Web spray pattern.
- Waterproof, multipurpose.
- Fast drying formula that remains flexible.
